**Wednesday, September 12, 2018**

The Delaware Department of Transportation (DelDOT) would like to invite the residents of Sammons Road and the surrounding areas and all other interested parties to a Virtual Workshop to learn about the proposed replacement of Bridge 3-627. The purpose of the workshop is to present an overview of the proposed bridge replacement with an opportunity for the public to review the project plans and to solicit feedback about this project. The virtual workshop will be available online at the website above beginning September 12, 2018 and will be accessible for at least 30 days.

Interested persons are invited to express their views either online or in writing, giving reasons for support of, or in opposition to, the proposed project. Comments will be received during the workshop or can be mailed to DelDOT Community Relations, P.O. Box 778, Dover, DE 19903.

The virtual workshop is accessible to persons with disabilities. Any person having special needs or requiring special aid, such as an interpreter for the hearing impaired, is requested to contact DelDOT by phone or mail one week in advance. If you need further assistance or additional information, please contact DelDOT Public Relations at 1-800-652-5600 (in DE) or 302-760-2080, write to the above address or email: [dotpr@state.de.us](mailto:dotpr@state.de.us) and reference this notice.
